PRELIMINARY AMENDMENT

RECEIVED
APR 16 2002
GROUP 3600

Sir:

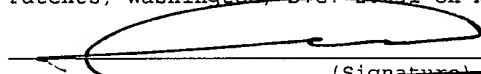

Prior to examination of the above application, please enter the following amendments.

IN THE CLAIMS

CLEAN COPY OF AMENDED CLAIMS:

1. (Amended) An adjustable extension arm for mounting a device thereto, said extension arm comprising a forearm extension having a first end and a second end for attachment of a device thereto, said forearm extension having a first opening at said first end and a second opening adjacent said second end, said first and second openings in communication with each other through a channel provided within said forearm extension between said first and second ends, a first endcap having a first end rotationally attached to said first end of said forearm

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class mail in an envelope addressed to Commissioner for Patents, Washington, D.C. 20231 on April 2, 2002.
